

## interNational jamboree 2012

Góðan daginn, and thanks for last time!

I'm sure you can't get it out of your head; -the midnight sun, the glorious glaciers, the coarse lava fields. I'm sure you still cherish the fond memories from our interNational Jamboree in 2008; -the sun shining on the lush hills embracing Akureyri, the Vikings walking around with their swords and shields, the incredibly joyful atmosphere when the crowd went wild and danced into the night. I'm sure you experienced something truly inspiring during your Journey.

I'm sure you can't wait to get back...

### ...and here is the chance and help us sharing it with your friends!

The summer of 2012 will mark the 100th year anniversary of Scouting in Iceland. To celebrate this milestone the Icelandic scouts will host a great interNational Jamboree at the very same spot as RoverWay 2009 took place; -Lake Úlfjótuvatn.

It would be great to have you back. It would also be great if you could help us by telling the scouts and guides around you about the great experience you had in Iceland and help us encourage them to join us in Iceland in the summer 2012.

We hope to see you again or your friends at Úlfjótuvatn! I'm sure we'll have a magical experience once again!
